

Spectrum News Quotes Luke Fedlam on Female Athletes and NIL

Media Mention

Spectrum News

July 3, 2021

Luke Fedlam was interviewed and quoted by *Spectrum News* on the new policy change for college athletes allowing them to profit from their name, image and likeness. In the article, Luke is quoted saying, "So I really care to hope the education is there for student-athletes to help make sure that they're not taken advantage of."

You can read the full article and more from Luke on the *Spectrum News* website.
