

The Inoculation and the Cure Are Both Remedies for Poor Credits

Publication

Community Banking Association of Illinois (CBAI)

March 19, 2025

The Community Banking Association of Illinois (CBAI) featured Michael Cortina's article, "The Inoculation and the Cure Are Both Remedies for Poor Credits," in the March edition of their monthly e-newsletter. In the article, Michael advises on steps lenders can take when dealing with poor credit, before and after a loan has gone bad.
