

The State of Hemp-Derived Products in Wisconsin

Publication

Wisconsin Lawyer

January 2026

The State Bar of Wisconsin featured an article by Krissy Atterholt in the January 2026 edition of *Wisconsin Lawyer*.

In "The State of Hemp-Derived Products in Wisconsin," Krissy details the role Wisconsin will plan in the future of the hemp-derived product industry, stating, "Wisconsin's response to hemp-derived products will further cement the state's stance on its residents' right to access the cannabis plant and products derived from the plant."

You can read the full article in the January 2026 edition of *Wisconsin Lawyer*.
