bmosse@wiley.law

Brandon defends companies and their executives in complex civil and criminal cases involving alleged healthcare fraud, the False Claims Act (FCA), whistleblower allegations, the Foreign Corrupt Practices Act (FCPA), antitrust, regulatory violations, and contract and procurement fraud. She has extensive experience shepherding life sciences companies, government contractors, not-for-profits, and technology companies through internal investigations and responding to subpoenas and civil investigative demands (CIDs). She also advises a broad range of companies on compliance programs, privacy, telecommunications, compliance, Team Telecom, and new media issues.

Representative Matters

- Litigates FCA cases and other complex federal actions both at the trial and appellate levels.
- Defends corporations and executives in the life sciences field facing multi-agency federal fraud investigations.
- Defends executives facing *Park* doctrine/Responsible Corporate Officer (RCO) charges stemming from allegations of off-label marketing.
- Represents large hospital system in FCA actions involving improper billing and anti-kickback statute allegations.
- Represents corporate and individual clients in connection with Special Counsel Office investigations and related litigation.
- Represents executives and corporations facing FCPA investigations.
