

David B. Weinberg

Senior Counsel

202.719.7102
dweinberg@wiley.law

David has more than 50 years of experience in administrative and environmental law, specializing in environmental, occupational health and safety, transportation, product safety, and pesticide matters. Regularly rated by *Chambers USA* as one of Washington, DC's "Leading Lawyers" in his field, over his long career David has been commended for maintaining his "position as a leader in occupational health and safety, transportation, product safety, electronics and battery issues, and pesticide regulation" (2011), and is highly praised for possessing "a phenomenal level of experience" and providing "excellent analysis and strategic advice" (2010) while remaining "highly accessible" (2013). He also has been listed for many years in *The Best Lawyers in America*, rated by the Euromoney Legal Media Group as one of the world's leading environmental lawyers and named one of "America's top 20 environmental lawyers" by the *Guide to the World's Leading Environment Lawyers*.

Representative Matters

- Successfully represented both claimants and respondents in numerous Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) data compensation negotiations and arbitrations. Represents a broad range of companies, task forces, and coalitions before the U.S. Environmental Protection Agency (EPA), state agencies (including California and Arizona), and in the courts in connection with registration, water pollution, the Endangered Species Act (ESA), and other issues.
- Represents manufacturers, retailers, and original equipment manufacturer (OEM) users of batteries, computers, televisions, and other electronics in legislative matters at the federal, state,

Practice Areas

Environment & Product Regulation
Pesticides and FIFRA
Litigation
Public Policy
Extended Producer Responsibility and Recycling

Credentials

Education
LL.M., Georgetown University Law Center
J.D., University of Pennsylvania Law School
A.B., Yale University

Bar and Court Memberships
District of Columbia Bar
Supreme Court of the United States
U.S. Courts of Appeals for the Ninth and District of Columbia Circuits
U.S. District Court for the District of Columbia
District of Columbia Court of Appeals
Superior Court of the District of Columbia

and municipal levels and rulemaking proceedings and enforcement matters before the EPA, the Occupational Safety and Health Administration (OSHA), the Consumer Product Safety Commission (CPSC), the U.S. Department of Transportation (DOT), and state and international bodies relating to recycling, product stewardship and safety, pollution regulation, occupational health, waste management, and transportation safety.

- Experienced in Clean Air Act (CAA) matters, including National Ambient Air Quality Standards (NAAQS) and ozone depleter rulemakings, enforcement action defense, and appellate litigation. Active on policy matters relating to climate change and greenhouse gas regulation.
- Negotiated the first settlement of a governmental Superfund suit more than 40 years ago (*United States v. Inmont Corp.*) and has since litigated and negotiated similar matters in two dozen states. These included representation of the owners of the Bunker Hill lead smelter in Idaho and the RSR smelter in Dallas, TX and generators at many chemical disposal sites.
- Deeply involved in developing significant portions of the Federal Resource Conservation and Recovery Act (RCRA) and the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) ("Superfund"); California's 2005 pesticide registration law (A.B. 1011); and such specialized legislation as the Federal Battery Management Act and three dozen states' battery and electronic products recycling legislation.
- Litigates pollution, ESA, Proposition 65, endangered species, and environmental enforcement cases around the nation.
- Provides strategic counsel on environmental, product stewardship, and safety issues to companies around the world.
