

Joshua K. Waldman

Associate

202.719.3223

jwaldman@wiley.law

Josh is an Associate in the Firm's Telecommunications, Media, and Technology, and Privacy, Cyber & Data Governance practices. He advises clients on a wide range of cybersecurity, national security, telecommunications regulatory, insider threat, ransomware, and privacy issues.

Before joining Wiley, he served for over a decade at a federal law enforcement agency and worked at a leading professional services firm. His experience includes developing and executing federal interagency policy initiatives, including two Presidential Policy Directives, and conducting compliance activities for national security and criminal investigations.

Representative Matters

- Advises clients in implementing cybersecurity risk management activities:
 - Helps clients dealing with cybersecurity incidents manage the full range of cyber incident response activities.
 - Assists clients in developing and implementing cybersecurity plans and procedures.
 - Provides advice on federal cybersecurity regulations and policies, including cybersecurity incident reporting, threat indicator sharing, secure software development attestation, vulnerability reporting, and supply chain risk management.
 - Negotiates and drafts cybersecurity and privacy contract language for vendor, service, and other agreements.
- Counsels telecommunications clients on law enforcement legal process matters.
