

## Robert E. DeFrancesco, III

Partner

202.719.7473

rdefrancesco@wiley.law

Robert's practice involves all aspects of international trade and trade remedy proceedings. He has particular expertise in both U.S. antidumping and countervailing duty proceedings and export control matters before the U.S. Department of Commerce (DOC), the U.S. International Trade Commission (USITC), the United States Trade Representative (USTR), the U.S. Court of International Trade, and the U.S. Court of Appeals for the Federal Circuit. In addition, Robert has represented numerous clients in both the Section 232 Aluminum investigation before the Bureau of Industry and Security at the U.S. Commerce Department and in the Section 301 investigation of China before USTR. Robert has also actively assisted in World Trade Organization (WTO) matters, providing advice regarding WTO obligations and dispute settlement proceedings for various clients and governments. Clients represented in these proceedings come from industries such as primary aluminum, aluminum extrusions, petrochemicals, steel, semiconductors, renewable energy, and consumer goods, involving products from diverse economies such as China, Brazil, Japan, Korea, Indonesia, and Turkey.

### Representative Matters

- Represented a coalition of U.S. aluminum extruders before the DOC and the USITC in a trade remedies investigation covering aluminum products in all segments of the U.S. economy from automobiles and appliances to windows and doors.
- Advised clients regarding the Bureau of Industry and Security's regulations regarding the export of lease condensate and crude oil.
