

Melany Birdsong

Consulting Counsel

202.719.3131

mbirdsong@wiley.law

Melany serves as consulting counsel to Wiley. She currently concentrates her practice on representing health plans with respect to government-sponsored program lines of business, with expertise in the Medicare Part D and Medicaid managed care programs and complex contracts for pharmacy benefits in the public and commercial spheres. Melany has a broad spectrum of experience across the payer-provider continuum of care.

Professional Experience

- Counsels clients with respect to strategic contracting initiatives.
- Negotiates, drafts, and administers large ancillary services contracts, including pharmacy benefit management and dental contracts.
- Represents clients in contract disputes with industry-leading national vendors.
- Supports clients in the development and execution of community investment strategies.
