Wiley Rein Government Contracts Boot Camp Series: Registration for the October 26th "Cybersecurity Briefing: Threats, Breaches and Risks; Legislative and Administration Update; and Business and Sourcing Considerations" Webinar

October 26, 2011

What You Will Hear:

Large scale cyber breaches are preempting significant changes to cybersecurity policy and law. These changes will have lasting impacts on businesses, business opportunities and how government contractors will source product and services.

This presentation will cover:

- An overview of national and international cybersecurity threats, breaches and risk management considerations;
- Updates on cybersecurity legislation, including data breach reporting, recent regulatory activities and agency activities; and
- Unique cybersecurity risks for government contractors.

Boot Camp materials will be made available during the program via webcast and subsequently distributed to participants for future reference. Wiley Rein will assist you with CLE credit.
