

EVENT

Government Contracting: What You Need to Know for 2015 and Beyond

Online Webinar

March 20, 2015

Event Sponsor: Lawline

Eric Leonard and Craig Smith explore the highly regulated world of U.S. federal contracting from an M&A perspective, with an emphasis on key areas of focus for 2015 and beyond. **Learning Objectives:**

I. Grasp the legal and business framework of the federal government contracting marketplace

II. Explore critical areas of federal government contracts compliance

III. Examine oversight and enforcement mechanisms available to federal government to deal with violations of Government contract law

IV. Confront "hot" subject matter areas for acquisition and government, including:

- New and updated labor and employment regulations
- Business systems
- Counterfeit detection and avoidance

V. Comprehend:

- Current government contracts M&A trends
- Typical challenges
