Robert L. Walker, of counsel in Wiley Rein's Election Law & Government Ethics Practice, was quoted in an article published yesterday in *The Philadelphia Inquirer* about the indictment of Senator Robert Menendez (D-N.J.). According to the article, Sen. Menendez's defense team has compared this to the prosecutions of John Edwards and the late Sen. Ted Stevens.

"The Stevens indictment was relatively thin," Mr. Walker said. "This one's a phone book."
