

MEDIA MENTION

Wiley Welcomes Erin Joe to the Privacy, Cyber & Data Governance Practice

Law360, POLITICO, Communications Daily, Cybersecurity Law Report
October 20, 2025

Wiley is pleased to announce that Erin Joe has joined the firm as special counsel in its nationally recognized Privacy, Cyber & Data Governance Practice. Drawing on senior leadership roles at the Federal Bureau of Investigation (FBI) and in the private sector, Erin is a trusted advisor who has guided government and industry through some of the most pressing cyber and national security challenges of the past 20 years. Recent coverage of her arrival includes:
