Roderick L. Thomas, partner in the White Collar Defense & Government Investigations Practice, was quoted by *Law360* in the article, "DOJ Asks Data Miners To Go Beyond Numbers In Fraud Fight," regarding the implications of the U.S. Department of Justice's new data mining initiative to strengthen fraud lawsuits. Thomas noted that "The era of purely insider-driven FCA enforcement is fading. Data analytics are becoming an increasingly important engine of *qui tam* litigation."
