## Tim Brightbill Quoted in Coverage of Circumvention of AD/CVD on Chinese Solar Cells and Modules

---

*Law360, pv Tech, Politico, The Washington Post, Bloomberg Law, pv Magazine, The Edge Markets*

October 1, 2021

Tim Brightbill, partner in Wiley's International Trade Practice, was quoted in coverage related to petitions filed by American Solar Manufacturers Against Chinese Circumvention requesting that the Department of Commerce investigate unfairly traded imports from Malaysia, Thailand, and Vietnam of solar cells and modules that are unlawfully circumventing antidumping and countervailing duties on China.

Brightbill was quoted by *Law360, pv Tech, Politico, The Washington Post, Bloomberg Law, pv Magazine*, and *The Edge Markets*.
