

New Publication Analyzes Insurance Regulatory Arena

June 2005

WRF's Insurance Regulatory Group is pleased to introduce a new publication, *Washington Perspective: The Changing Climate of Insurance Regulation*, containing timely analyses of important developments affecting the insurance industry.

For more than 20 years, WRF has provided its clients the full range of Washington representation. In an era when the federal government plays an increasingly important part of insurance regulation, this publication draws on the firm's in-depth knowledge of the industry to provide insurers with insights that will be of practical, realistic value.
