

PRESS RELEASE

WRF Partner Chosen as Speaker for "DC Road Show" Attorney Event

June 26, 2006

Wiley Rein & Fielding partner Theodore A. Howard has been selected as the guest speaker for the 2006 Annual DC Road Show Reception, a professional development and networking event for African-American attorneys and summer associates. Mr. Howard, who received the Servant of Justice Award from the Legal Aid Society of the District of Columbia earlier this year, will share his experience and knowledge with colleagues and students from the area.

The DC Road Show program was started 40 years ago by a group of DC-based law firms in an effort to encourage African-American law students to practice law in the city. Wiley Rein & Fielding is proud to be a sponsor of this year's event, which will take place on June 27, 2006.
