Wiley Rein Named by *Chambers USA* As One of Washington DC's Top Bankruptcy and Restructuring Practices

June 29, 2009

The 2009 edition of *Chambers USA: Leading Lawyers for Business*, has recognized Wiley Rein's Bankruptcy & Financial Restructuring Practice for its "strong regional approach with a practice that is split between Virginia and Washington, DC." Clients praised the group to the publisher for its "close attention to every detail of its cases."

As *Chambers* reports, peers attest that practice chair H. Jason Gold "makes principled arguments and is sharp as a tack," while sources describe partner Valerie P. Morrison as "a hard worker with exceptional knowledge of large Chapter 11 bankruptcies."

The *Chambers* ratings are based on extensive interviews of law firms' clients, colleagues and competitors. Inclusion in the directory is determined through a rigorous vetting process whereby researchers evaluate law firms and attorneys on a number of factors.
