# Wiley Earns Top Score on Human Rights Campaign Foundation's 2022 'Best Places to Work for LGBTQ+ Equality' List

January 27, 2022

Washington, DC – Wiley, a preeminent DC law firm, has for the seventh consecutive year earned a perfect score of 100% on the Human Rights Campaign (HRC) Foundation's Corporate Equality Index (CEI).

The CEI is the nation's foremost benchmarking survey and report measuring corporate policies and practices related to LGBTQ+ workplace equality. Wiley is among more than 840 major U.S. businesses that achieved top scores for 2022 on the prominent list.

The index rates companies and top law firms on detailed criteria in four key areas: nondiscrimination policies across business entities; equitable benefits for LGBTQ+ workers and their families; supporting an inclusive culture; and corporate social responsibility.

"We are proud to have once again achieved a top score from the HRC Foundation on this important annual list," said Wiley Chief Diversity Officer Rashida MacMurray-Abdullah. "This recognition reflects our commitment to diversity, equity, and inclusion as core values, as we build on our efforts to promote a healthy and inclusive work environment for LGBTQ+ attorneys, raise awareness of issues concerning the LGBTQ+ community, and partner with civil rights organizations to advocate for LGBTQ+ equality."

In addition to robust programs, policies, and benefits advanced by the firm's Diversity, Equity, and Inclusion Department, several organizations within Wiley support DEI efforts, including the LGBTQ+ & Allies Lawyers affinity group. This is one of the many affinity groups
