Bloomberg BNA's Federal Contracts Report

November 25, 2014

Contractors may at times feel their well-designed ethics and compliance programs are a double-edged sword. With employees attuned to their obligations through training, a contractor can learn of potential misconduct and violations before they turn into federal investigations. But with multiple channels of reporting and the high cost of a full team of outside counsel and forensic investigators, it can be hard to stay on top of reports and stay under budget.
