Annual EEO Public File Report

Radio and television station employment units (SEUs) located in **Alaska, Florida, Guam, Hawaii, Iowa, Missouri, Oregon, Puerto Rico, American Samoa, Washington and the Virgin Islands** with five or more full-time employees must prepare by Tuesday, October 1, 2019, an annual EEO Public File Report (PFR). The report must be posted on the website belonging to each station in the SEU and uploaded to its online public inspection file at the Federal Communication Commission's (FCC or Commission) website.

Note: It is the licensee's responsibility to ensure the PFR is uploaded to the online public inspection file in a timely fashion. As a practical matter, the FCC receives an electronic date stamp when items are posted to the online public file (and so it is clear to FCC staff if they are posted late).

The PFR should summarize the SEU's recruitment activity from October 1, 2018 through September 30, 2019, including full-time positions filled, the recruitment sources used to advertise those job openings, and the total number of interviewees and hires produced by each recruitment source. The PFR must also include a summary of the SEU's recruitment initiatives.

Schedule 396 Broadcast EEO Program Report

Radio SEUs in **Florida, Puerto Rico and the Virgin Islands** must apply for license renewal on or before Tuesday, October 1, 2019. A critical component of the Commission's license renewal process is the Schedule 396 Broadcast EEO Program Report, which must be submitted online prior to the filing of the Schedule 303-S Application for Renewal of Broadcast Station License.

Schedule 396 requires licensees to report discrimination complaints, provide a narrative description of their outreach efforts and, for SEUs with five or more full-time employees, submit PFRs covering October 1, 2017 - September 30, 2018 and October 1, 2018 - September 30, 2019. Once filed, the FCC will automatically upload a copy of the Schedule 396 to the FCC-hosted online public inspection file belonging to each station in the employment unit.
