

Tech Talks Pandemic: CTA's Jamie Boone on the Tech Community's Innovative Responses to COVID-19

Wiley Connect

April 22, 2020

Practice Areas

Telecom, Media & Technology

In this episode, we're joined by Jamie Boone, Vice President of Government Affairs for the Consumer Technology Association. We discuss CTA's COVID-19 resources, regulatory barriers to innovation during this time, and how technology and innovation are meeting some of the challenges created by COVID-19.
